

# Story dice

You can use these story dice in different ways:

- Roll the dice to get ideas for your story.
- Use the dice to create a silly story. For example, if you roll the dice and get space, a unicorn, a boat, fire, a favourite toy etc., you have to make up a story with all these elements.

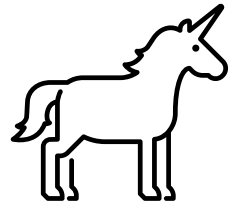

You might enjoy making new story dice too.

# Where?

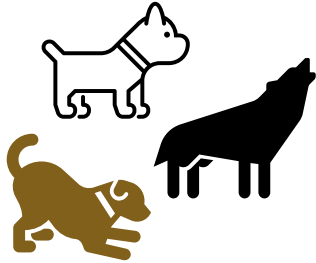

# Who?

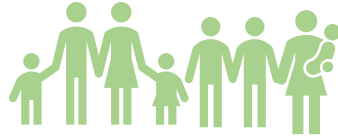

Did she go to see anyone?  
Did she take someone with her?  
Did she meet anyone along the way?

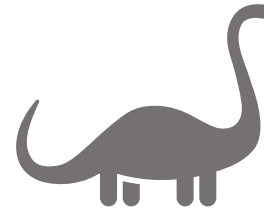

Unicorn

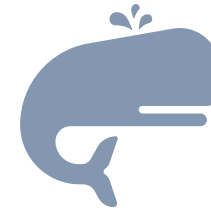

Dogs

People

Dinosaur

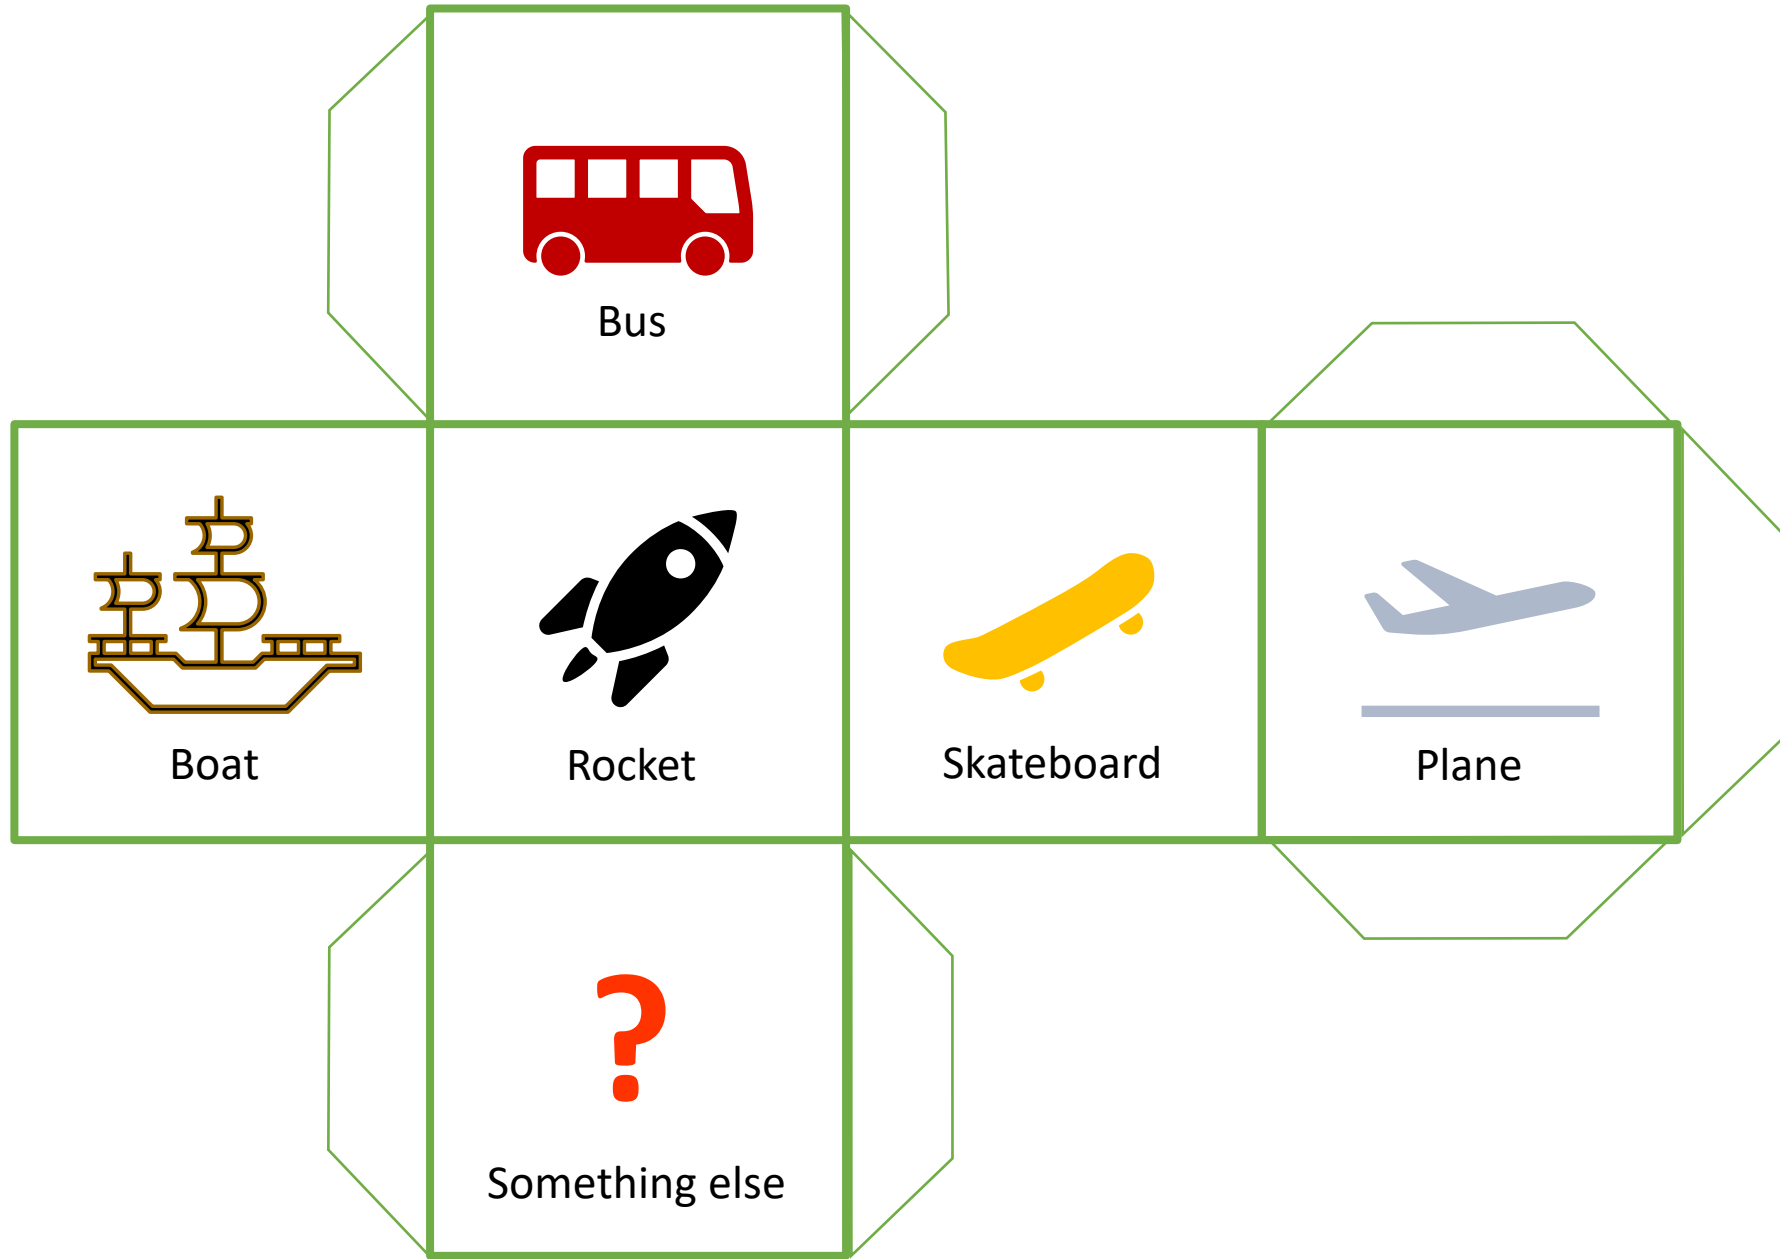

Whale
