

## I love...

- Getting my bum scratched
- Going for walks
- Sleeping
- Meeting people
- Playing with my friends
- Carrying my toys around
- Rolling in smelly stuff

## My favourite food...

- Chicken and bacon but I only get them on special occasions 😞
- Poo – it doesn't really matter what kind – cat, rabbit, cow
- Chewy bones & carrots
- To be honest, I LOVE all food!

## Things that scare me

- Cats, chickens, and grumpy dogs
- Grumpy people
- Thunder and fireworks
- Nail clippers

## Things that help

- Being beside Alayne
- Lying on my bed
- Hiding under the table

## How I talk to people

- To get attention – I flap my ears
- To get food or go on a walk – I park myself in front of Alayne, stare at her, and wag my tail a lot
- To get my bum scratched I stand with my bum in front of the person
- To say “I’m sorry” – I drop my head, look sad, and wag my tail slowly
- To say “I’m scared” I drop my head, curl my tail under me, and run to Alayne for help.
